Gerovital Plant - EUROPEAN SKIN CARE PRODUCTS

Gerovital Plant - EUROPEAN SKIN CARE PRODUCTS

The revolutionary new cosmetic line "**Gerovital Plant - EUROPEAN SKIN CARE PRODUCTS**"; was developed with the need to satisfy the ever increasing demand for excellence and unique from a sophisticated global consumer. With its high content of plant and flower extracts used by natives for a thousand years in Transylvania. The products have a modern, non-allergenic formula, without containing alcohol, perfume or synthetic colorants.

The unicity of **Gerovital Plant - EUROPEAN SKIN CARE PRODUCTS** is given by the harmonious combination of the virtues the spontaneous flora of Romania with those of the plants from other countries and of other natural ingredients consecrated in the international cosmetical industry (Phytoceramides, Fruits acids, Collagen, Elastine, Proteyc extracts, A, C, E, F, B Vitamins, Hialuronic acid, sun protection filters.

The specificity of this line is given by the careful selection in a natural complex with synergic action of the vegetal extracts from the horsetail, hip rose, lime cucumbers, corn silk, hawthorn, wild thyme, bean pods, nettle, mallow, chestnut seeds, ivy, wild roses. The effects of Jojoba, Avocado, Calendula, Wheat germs, hip rose and cocoa natural oils complete the benefic action of the line.
